

2023 DIRECTV Care and Distribution Center Bargaining Report #2 01/24/2023

Your DIRECTV Bargaining Committee met with the company again this afternoon. The Committee presented a total of eight proposals to the company. These proposals covered various topics, including sick days, overtime, holidays, and severance pay. Proposals addressing work from home, vacation time options, and pay for specific job duties were also presented to the company. The Committee is reviewing a proposal from the company to remove language from the contract that does not pertain to DIRECTV. Both sides discussed our goals for the rest of the week. We will meet again tomorrow afternoon. Thanks for your support...stay CWA STRONG!
