## BARGAINING REPORT #5

February 21st, 2023

Your Bargaining Committee met with the Company today, demonstrating its 24/7 availability, and looking forward to obtaining a Fair Agreement before its expiration. From our part, three (3) proposals were submitted on the following: Art. 21, Art. 12 and a newly created article, which seeks to solve various claims from our members. From their part, the Company submitted counter proposals that are being carefully evaluated by the Negotiating Committee. We have also been able to reach several tentative agreements that respond to Art. 1 and Art. 5.

In efforts to protect the rights acquired throughout years of struggle and bargaining, as well as, to defend our rights to mobilize and get recognized, the CWA have filed charges against the Company at the National Labor Relations Board. We are approaching the point where we must forcefully demonstrate our unity, please contact your mobilizer for more information.

In Unity,

Your Bargaining Committee
