## BARGAINING REPORT #3

February 15th, 2023

Your Bargaining Committee met again with the company, demonstrating its commitment and availability to reach an agreement between the parties before the expiration of the current Agreement on February 24th, 2023. The Committee delivered counter proposals that address the following: Art. 11 and LOA 1, which are intended to solve part of the claims our members have presented.

Your Bargaining Committee is 100% committed to reach a Fair Agreement for all parties. The Bargaining Committee counts on your support and mobilization to achieve it.
