

COMMUNICATIONS WORKERS OF AMERICA LOCAL 3010 | AFL-CIO

BARGAINING REPORT #4

February 17th, 2023

Your Bargaining Committee met with the Company yesterday, demonstrating its 24/7 availability, and looking to obtain a Fair Agreement before its expiration. Your Committee submitted four (4) proposals on: Art. 21, Art. 1, LOA 3, in addition to a newly created article, which is part of the claims members had presented. From its part, the Company submitted counter-proposals that are being carefully evaluated by the Committee.

Both parties have submitted various proposals and counter-proposals totaling twenty-two (22) exchanges. Timely, we have managed to reach 7 tentative agreements that respond to Art. 10, Art. 15, Art. 6, Art. 4, Art. 21, LOA 1, Art. 25

Your Committee is willing and committed to reach a Fair Agreement for both parties, that is, one that safeguards the benefits acquired by previous generations. We are only seven days away from the expiration of our current agreement, and yet the Company has not wanted to recognize the urgency of reaching a Fair Agreement before its expiration. Let's show, in unity and mobilization, to the Company that the CWA - Local 3010 is here to stay.

In Unity,

Your Bargaining Committee
