

## **2023 DIRECTV Care and Distribution Center Bargaining Report #12 2/11/2023**

Your bargaining committee continued to meet with the company late into the night, but we have yet to reach a final agreement. We are down to the most critical issues that affect all of us: Wages and Benefits. The company, so far, has yet to be willing to move up from its last offer. We have agreed to a 72-hr extension as discussions continue. In the meantime, we need your help to put pressure on the company to do what is right and give us the wages we deserve, and provide us with affordable benefits. We're prepared to continue fighting. We appreciate your continued support. ***Mobilize! Mobilize! Mobilize!***
