

2023 Mobility Bargaining Report #9 2/9/2023

Yesterday your bargaining committee met with the company multiple times to stress the importance of a livable wage. To us, it's quite simple-we work hard. We make profits for the company. We would like a bigger piece of the pie just so we can pay our bills on time and put food on the table. The company continues to miss the mark, but they are headed in the right direction. The Bargaining Committee passed proposals stressing the importance of call center work in District 3. We also wanted to ensure our corporate-owned retail stores have more visibility than Authorized Retailers. Your Bargaining Committee is also having a lengthy discussion about benefits. Today is Thursday! We can't wait to see everyone in their union red from head to toe!! Stay union strong!

A huge thank you to CWA Local 3902 for providing us with a juicy lunch! We also want to thank CWA Local 3108 for the warm and huge Crumble cookies and a special thanks to the Georgia Local Presidents for dinner! Thank you for being so gracious and thoughtful. We appreciate the love you showed us.

In unity,

Your Bargaining Committee,

Mindy Boldon, Local 3108
Karen Nagjee, Local 3204
Tammy Harmon, Local 3406
