APPENDIX B90

PREAMBLE

This Agreement is entered into between the City of Jacksonville (the **City**) and the Communications Workers of America, (**CWA**). The intent of the parties and purpose of this Agreement are to assure sound and mutually beneficial working and economic relationships between the parties, to provide an orderly and peaceful means of resolving any disputes which may arise in the interpretation or application of this Agreement, and to set forth the parties' full agreement concerning rates of pay, wages, hours, and other terms and conditions of employment. There are not, and shall not be, any formal or informal agreements that are contrary to the terms of this Agreement except as the parties may enter into through the collective bargaining process. It is mutually understood and declared to be the public policy of the **City** and the **CWA** to promote harmonious and cooperative relationships between the **City** and its employees and to protect the public by assuring at all times, the orderly and uninterrupted operations, and functions of government.

The City of Jacksonville provides essential public services which vitally affect the needs, health, safety, comfort, and general well-being of the citizens of this **City** and the public at large. Both parties recognize the need for continued reliable service to these citizens.

ARTICLE 1: CWA RECOGNITION

- 1.1 Pursuant to and in accordance with all applicable provisions of Part II, Chapter 447, Florida Statutes, and the Rules and Regulations of the Florida Public Employees Relations Commission (PERC), the **City** recognizes that the **CWA** is certified by PERC as the exclusive bargaining representative for those employees in the defined bargaining unit of professional employees in classifications set forth in Appendix A for the purpose of collective bargaining with respect to wages, hours, and other terms and conditions of employment.
- 1.2 It is understood and agreed the President of the CWA and/or his/her designee will be the official spokesperson for the **CWA** in any matter between the **CWA** and the **City**.
- 1.3 The **City** agrees to make electronic copies of this Agreement available online and via e-mail.

ARTICLE 2: CWA ACTIVITY

- 2.1 Employees in the designated bargaining unit shall have the right to join or refrain from joining the **CWA**, and to engage in lawful concerted activities for the purpose of collective negotiation or bargaining or other mutual aid and protection.
- 2.2 In employment, job assignment and employee/employer relations, no procedure shall discriminate against any employee on the basis of age, disability, sex, race, creed, national origin, or marital status.
- 2.3 There shall be no restraint, discrimination, intimidation, or reprisal against any employee for bringing any grievance under the provisions of this Agreement or because of the employee's membership or lack of membership in the **CWA**, or by virtue of his/her holding office or not holding office in the **CWA**.
- 2.4 The **CWA** Unit Vice President or Stewards shall be granted reasonable time off during working hours without loss of pay for the purpose of representing City employees in grievance meetings or meetings with **City** representatives requiring his/her presence after notifying and securing the approval of his/her immediate supervisor. Such approval shall not be unreasonably withheld. If an assigned Steward is not immediately available to participate, the meeting will be postponed for a reasonable time until an alternate Steward can be released to attend. A written list of stewards will be submitted to the Employer.
- The **CWA** Vice President or Stewards may be granted paid union leave for legitimate **Union** business upon the request by the Union President or his/her designee, as requested to the Chief of Employee and Labor Relations. Such leave shall not exceed one day and may be withheld if operational conditions do not permit. Paid Union leave may be extended as outlined in Article 2.5 below.
- 2.5 An employee who is elected or appointed to an office or committee in or for the local District or National Union, and who is certified in writing to the **City** by the President of Local 3106 as being required to attend lawful training and other official duties in connection with **CWA** office or committee membership, shall be granted Leave Without Pay as outlined in Civil Service and Personnel Rule 8.06, Absent Without Pay. While the **City** will make every effort to accommodate **CWA** scheduling of such union-related absences, the **CWA** recognizes that operational needs may restrict the number of employees who may be absent for union business at any one time.
- 2.6 Employees approved for "Leave Without Pay" as outlined in Article 2.5 above will continue to receive their insurance benefits as provided to all other employees with the exception of pay and bonuses for the duration of the approved absence. Pension Benefits will be provided as defined in the

City of Jacksonville General Employees' Pension Plan, Part II, Section 120.204.

- 2.7 The Local **Union** President or his/her designee will arrange with the Employee and Labor Relations Division to meet with newly hired or transferred employees as part of the overall new employee orientation process to furnish them with information about the Union.

ARTICLE 3: DUES DEDUCTION

- 3.1 Upon receipt of his/her written authorization the **City** will deduct from an employee's pay the amount owed to the **CWA** for dues. Such dues will be deducted in each of 26 pay periods in the fiscal year as long as the employee's authorization is in effect in accordance with provisions of Article 3.5.
- 3.2 The **City** will remit to the **CWA** the monies deducted pursuant to article 3.1, no later than the tenth day of the month following such deductions. The **City's** remittance will be deemed correct if the **CWA** does not give notice to the **City** within two (2) calendar weeks after **CWA** has received the remittance, of its belief that the remittance is incorrect, and the reasons for that belief. The **City** will attach to each dues remittance an alphabetized roster of dues-paying employees including full name, employee identification number, address, and gross wages. The address provided shall be the employee's home address where the address is public record. For employees whose home address is protected under Florida law, work addresses shall be provided. The **CWA** may send only legally-required notifications to employees' work addresses.
- 3.3 **CWA** will certify changes in the membership dues rate to the **City** in writing over the signature of the authorized officer or officers of the **CWA** at least sixty (60) days before the effective date of the rate change.
- 3.4 No dues shall be deducted from the pay of an employee for any payroll period in which the employee's net earnings, after deductions, are less than the amount of dues to be deducted. Net earnings shall mean earnings after required deductions have been made for federal taxes, social security, pension, orders of court, credit union, and health and life insurance.
- 3.5 Deductions for **CWA** dues shall continue until the employee revokes his/her authorization for dues deduction by submitting a signed form to the Payroll Section revoking such authorization, or until the employee becomes otherwise ineligible for deduction of **CWA** dues.
- 3.6 Requests for dues deduction or revocation of dues deduction will be processed on the next available payroll. It is the employee's responsibility to notify the Payroll Section of any change to his/her dues deduction authorization. The **City** shall notify **CWA** quarterly, in writing, of all **CWA** members and their current dues status.
- 3.7 The **CWA** will indemnify, defend, and hold the **City** harmless against any claim made and against any suit against the **City** on account of any deduction of dues.

ARTICLE 4: AGENT OF RECORD

- 4.1 The **City** agrees to provide a payroll deduction process to be available to employees in the bargaining unit for various employee plans. These plans shall be administered by the "Agent of Record" so designated by the **CWA**. This authorization does not include plans which require the **City** to be the Plan Sponsor.
- 4.2 The **CWA** will indemnify, defend, and hold the **City** harmless against any claim made, and against any suit against it on account of any deductions made pursuant to this article.

ARTICLE 5: WORK SITE VISITATIONS

The President of **CWA** Local 3106, or his/her designee, may, with proper authorization which will not be unreasonably withheld, be admitted to the **City's** property. The President of **CWA** Local 3106, or his/her designee shall be able to talk with employees in the bargaining unit before or after regular working hours or during lunch hours of said employees on **City** property in areas designated by Management. Arrangements will be made for the President of **CWA** Local 3106, or his/her designee to be admitted to the property of the **City** during working hours for the purpose of verifying that this Agreement is being observed by the parties; provided such visitation is not disruptive to the work force. However, no employees shall be required to talk with any Officer or the President of **CWA** Local 3106, or his/her designee.

ARTICLE 6: BULLETIN BOARDS

- 6.1 The **City** will provide the **CWA** with a reasonable portion of a bulletin board in each work location for the purpose of posting notices or other information pertaining to **CWA** activities. The **CWA** may, if it so desires, provide a bulletin board of standard size for its exclusive use, in keeping with the decor of the location, and with the approval of the **City**. In addition, the **CWA** will be provided with centralized electronic posting ("electronic bulletin board") within the **City** system, for the same purpose.
- 6.2 **CWA** agrees to use its space on the bulletin boards provided for in section above, to post notices or other information related to the following:
- Notices of Union Meetings
 - Elections of Union Officers
 - Reports of Union Committees
 - Rulings and Policies of the Union
 - Recreational and Social Affairs of the Union
 - Union Informational Bulletins
- 6.3 No materials, notices, or announcements shall be posted by **CWA** which contain anything political, or which would adversely reflect upon the **City**, its officials, managers, consultants, or agents, its Independent Agencies, its employees, or any labor or employee organization. Any violation of this section by **CWA** shall entitle the **City** to remove the posting in violation.
- 6.4 Notices or other information intended for the regular bulletin boards shall be submitted to the Director of Employee Services or designee for approval as to compliance with Article 6.3 before posting and shall be dated and initialed by the **CWA** steward and the Chief of Employee and Labor Relations or designee before being posted.
- 6.5 Notices or other information intended for the electronic bulletin board shall be submitted on acceptable electronic medium to the Chief of Employee and Labor Relations or designee for approval as to compliance with Article 6.3 before being posted. Notices or other information intended for the electronic bulletin board shall include a specific date on which the notice or information is to be automatically deleted from the electronic bulletin board. Approved materials will be posted electronically as soon as practicable.
- 6.6 To access **City** facilities to update information on regular bulletin boards, the **CWA** shall contact the Chief of Employee and Labor Relations or designee for authorization.

- 6.7** Any alleged abuse of the bulletin boards will be a matter for a conference between the appropriate official of the **CWA**, the Chief of Employee and Labor Relations or designee, and the appropriate member of the agency involved. Such meeting or conference shall be held within three (3) working days after receipt of a written complaint by either the **City** or the **CWA** that such a violation exists.

ARTICLE 7: MANAGEMENT RIGHTS

- 7.1 Except as expressly limited by any provision of this Agreement, it is the sole and exclusive right of the **City** to determine unilaterally the purpose of its constituent agencies, set standards of services to be offered to the public, and exercise control and discretion over its organization and operations, including the right to sub-contract.
- 7.2 The **City** also retains the following management rights, except as expressly limited by any provision of this Agreement:
- A. to direct its employees;
 - B. to take disciplinary action for proper cause;
 - C. to relieve its employees from duty because of lack of work and other legitimate reasons;
 - D. to establish the hours of work, work week, and work-day except as expressly limited by any provision of this Agreement;
 - E. to control and regulate the use of all equipment and other property of the **City**; and
 - F. to require employees to observe **City** policies and all City, State and Federal laws and regulations.
- 7.3 Employees shall not be transferred, reassigned, demoted, have the work week reduced, or be laid off as a result of the **City's** contracting out of work or services, except as provided for in the Civil Service and Personnel Rules and Regulations.
- 7.4 Employees and the **CWA** can grieve specific effects from the exercise of management rights on employees' terms and conditions of employment as set forth in this Agreement.

ARTICLE 8: MANAGEMENT SECURITY

- 8.1 Subject to the specific provisions of this Agreement and Chapter 447, Florida Statutes, the **CWA** and its officers, agents, and members agree that during the life of this Agreement they shall not instigate, promote, sponsor, engage in, or condone any strike, slow-down, concerted stoppage of work, intentional interruption of **City** operations, or similar activity. The consideration for such provision is the right to a resolution of disputed questions arising under this Agreement.
- 8.2 Management shall have the right to discharge or otherwise discipline any and all employees who violate the provisions of this Article. Management shall also have the right to take appropriate action against the **CWA** for initiating or supporting any violation of the provisions of this Article.
- 8.3 The only question that may be raised in any proceeding, grievance, judicial or otherwise, contesting such action is whether the provision preventing strikes, slow-downs, concerted stoppage of work, intentional interruptions of **City** operations, or similar activities was violated by the employee to be discharged or otherwise disciplined.
- 8.4 The **City** and **CWA** agree that the **City** is authorized to take all actions necessary to comply with the Americans with Disabilities Act of 1990.

ARTICLE 9: SALARY PLAN

- 9.1 A. It is the policy of the **City** to pay fair and equitable salaries, based upon the responsibility of each position within the bargaining unit, and upon the performance of the individual occupying that position, as well as other relevant factors.
- B. This Salary Program and subsequent adjustments shall be consistent with public policy and within allocated financial resources.
- C. Section 9.1 is not subject to arbitration.

9.2 Salary Schedule and Plan:

Each classification in the bargaining unit is assigned to a Pay Grade based upon the evaluation of the classification. Each Pay Grade will consist of a salary range with starting and maximum rates.

- 9.3 A. Initial compensation will be determined by the Employer. When an employee is appointed to any classified position and is hired at a rate above the minimum rate of the range, other employees in the class in the same organizational unit with similar education and experience will have their base salaries increased to that of the newly appointed employee's end of probation rate. Employees who are subject to disciplinary reductions in pay shall not be granted such increases until expiration of the disciplinary reduction.
- B. Where there have been demonstrated difficulties in recruiting qualified candidates for specific classifications within the bargaining unit, the Director of Employee Services may authorize a higher starting rate within the range for candidates meeting minimum qualifications. The Director of Employee Services will notify the **CWA** of such change. The Director of Employee Services will review the recruiting situation and the higher starting rate at least annually. When a higher starting rate has been authorized pursuant to this section, all candidates meeting the minimum qualifications will be given the higher start rate.
- C. When an employee is hired at a rate above the minimum rate of the range in accordance with Article 9.3(a) or (b), other employees in the class in the same organizational unit with similar education, training, and experience will have their base salaries increased to that of the new employee.
- D. When an employee is hired at a rate above the minimum rate of the range, the Director of Employee Services, upon the request of the department head, may approve an increase in base salary for

employees in higher level classes within the class series in the same organizational unit, who possess similar education, and experience, and whose salaries are less than 5% above the highest paid newly-hired employee in the lower classification. When approved, such increases may be granted, within the pay range, up to 5% above that of the highest paid newly-hired employee in the lower classification.

When the newly-hired employee completes probation and receives a 5% end of probation increase pursuant to 9.3(e), those employees in the higher classification who received the initial salary adjustment shall have their salary increased by five percent (5%).

When requested and approved, equity increases pursuant to this section shall be granted to all comparably qualified employees in the organizational unit, except those employees on probation or who are subject to disciplinary reductions in pay shall not be granted such increases until successful completion of probation or expiration of the disciplinary reduction.

- E. Upon successful completion of the initial probationary period, the base salary of the new employee shall be advanced 5% or to the maximum of the range, whichever is less.
- F. When an employee is promoted to a classification in a higher Pay Grade, the employee's base salary shall be increased by five percent (5%) or to the minimum rate of the range, whichever is greater. In no circumstances shall an employee's base salary exceed the maximum of the pay range as a result of promotion. Upon satisfactory completion of the probationary period, the base salary of the employee shall be advanced five percent (5%) or to the maximum rate of the range, whichever is less. Where the Director of Employee Services, with the concurrence of Mayor's Budget Review Committee (MBRC), has determined that it is appropriate for recruitment or retention of employees, classifications with high employee turnover may be designated as eligible for salary increases of 15% upon promotion. Employees in classifications so designated shall not receive end of probation increases.

- 9.4** An employee who is reinstated to a former classification from the appropriate eligibility list may be paid up to the rate at which he/she was being paid just prior to separation from the class, plus any general adjustment made while the employee was separated from the class. In the event that new employees have been hired in the same classification in the same organizational unit with similar education training and/or experience and have been granted advanced appointment rates above the rate being paid to the former employee just prior to separation, the former employee

may be rehired at the same advanced appointment rate.

- 9.5** In the event of the return to duty of an employee who left the classified service as a result of entering into the Armed Forces, the normal procedure shall be to place the employee at the level in the salary range the employee occupied prior to the military leave of absence in accordance with the provisions of the Uniformed Services Employment and Re-employment Rights Act of 1994 (USERRA) and as may be amended from time to time. In the event that new employees have been hired in the same classification, in the same organizational unit with similar education, training and/or experience and have been granted advanced appointment rates above the rate being paid to the former employee just prior to separation, the former employee may be rehired at the same advanced appointment rate.
- 9.6 A.** When an employee is demoted, except for cause or voluntary demotion, the base salary of the employee will be placed within the range of the lower Pay Grade without reduction, except that the base salary may not exceed the maximum rate of the range of the lower Pay Grade, in which case, the base salary will be placed at the maximum rate of the range. If the employee is promoted again within a 12-month period following the demotion, he/she will not receive a promotional increase or end of probation increase, unless his/her salary was reduced at the time of demotion to the maximum rate of the range. In such cases, upon the successful completion of the probationary period, the employee's salary shall be increased to the rate received prior to demotion plus any increase the employee would have received if not demoted.
- B.** An employee who is promoted and subsequently returns to his/her former position prior to attaining permanent status in the higher class (reversion demotion) shall have a salary reduction to the base salary the employee was receiving prior to promotion plus any increase the employee would have received if not promoted.
- C.** In the case of a voluntary demotion, the base salary of the employee will be placed within the range of the lower Pay Grade at a rate that results in a five percent (5%) reduction in salary, or to the maximum of the range, whichever results in the larger reduction. If the employee is promoted again within a 12-month period following the demotion, he/she will receive a promotional increase of five percent (5%) upon promotion but will not receive an end-of-probation increase unless his/her salary was reduced more than five percent (5%) at the time of demotion. In such cases, upon the successful completion of the probationary period, the employee's salary shall be increased to the rate received prior to demotion plus any increase the employee would have received if not demoted.

- 9.7 The pay of an employee who is reassigned to another position at the same Pay Grade shall remain the same. The pay of an employee whose classification is reallocated to a higher Pay Grade shall be established in accordance with the following:
- A. Employees whose current base salaries are below the minimum rate of the range of the new Pay Grade will have their base salaries raised to the starting rate of the range.
 - B. Employees whose current base salaries are above the maximum rate of the range of the new Pay Grade will be placed in the new Pay Grade at their current base salaries.
 - C. Employees whose current base salaries are within the starting and maximum rates of the range of the new Pay Grade will be placed on the new schedule at their current salaries. With the concurrence of the appropriate budgetary authority, the Director of Employee Services may approve pay adjustments for employees in classifications for which the pay grade is elevated. Such increases shall not exceed 5% for a one-grade elevation, 10% for a two-grade elevation and 15% for a three-grade elevation. Such increases shall not exceed the maximum of the pay range for the class to which the position occupied by the employee is assigned.
- 9.8 When employees are demoted or otherwise reassigned in connection with a Reduction in Force, the **City** may maintain the base pay levels of all affected employees.
- 9.9 When an employee is required by the **City** to accept the responsibility for work in a higher classification for at least one (1) hour, the employee shall receive a five percent (5%) increase or the minimum rate of the range of the higher class, whichever is greater. In no case, however, can the adjusted salary level exceed the maximum rate of the salary range of the higher position. The employee will receive the increased rate of pay for all time actually worked in the higher classification. An employee may be temporarily assigned to work in any position of the same or lower classification with no increase in pay. A temporary period of time shall not be more than six (6) months. Employees must meet the requirements of the higher-level position to be eligible for out of classification pay. Senior most qualified shall be selected. All other factors being equal unless another employee is proven substantially more qualified.
- 9.10 Requirements for advancement and other purposes as specified in these

procedures shall be based on continuous service which is employment in the Consolidated Government. Leave of absence with or without pay shall not break or interrupt continuous service. Leave without pay of one or more days will be deducted when computing the length of service for promotion, range level advancement, vacation leave, service raises, retirements, etc. The employee's anniversary date will be adjusted accordingly. Employees granted military leave for extended service with the Armed Forces of the United States shall be given full credit for the period of military service.

- 9.11** The parties recognize that relationships between classifications may change over time as the nature of work evolves and changes. As a result of such changes, those relationships should be reviewed periodically to determine if revisions in pay grade assignments are appropriate.

The **City** recognizes the **CWA's** interest in maintaining equity among classifications in the bargaining unit. Accordingly, during the life of this Agreement the **CWA** may notify the Director of Employee Services of its belief that sufficient material changes have occurred in the nature of work assigned to one or more classifications, such that the relationship of that classification(s) to other classes should be reviewed for possible realignment. The Director of Employee Services shall conduct an appropriate review of the circumstances and report the findings to the **CWA** and to the appropriate budgetary authority for action as warranted. This review may include recommendations for pay adjustments for affected employees where appropriate.

The Director of Employee Services is authorized to make such changes to the Pay Plan as may be necessary to implement the findings except that no current employee shall have his or her pay adversely affected as a result of such changes.

In his/her sole discretion, the Director of Employee Services, with the concurrence of the Mayor’s Budget Review Committee, may authorize such supplemental payments for employees in those classifications, assignments, or locations. of illness unless extenuating circumstances make a full hour's notice impractical. Other employees using personal leave for bona fide illness must notify their immediate supervisor as early as reasonably possible, but in no event later than the starting time for the first day that the employee is unable to report for work because of illness. The employee must notify the supervisor of the nature of the illness and the approximate amount of time the employee will be absent. The **City** has the right to require any employee to undergo a medical or psychological examination by an assigned doctor at any time to ascertain whether or not the employee is physically and mentally capable of performing any and all duties required of the employee's classification. The examination will be conducted at **City's** expense. On the date of the examination, the employee will not be required to report to his/her regular duty assignment. Should the examination require more than eight hours, the employee will be paid one-and-one-half (1-1/2) times the regular hourly rate for all hours in excess of eight hours.

24.11 If an extended illness causes an employee to use all of his/her accrued personal leave, the employee may use hours previously transferred to the employee's retirement account pursuant to paragraph 26.5:

- A.** If an employee, due to an extended continuous illness, requires eighty (80) or more working hours leave for illness, then such leave may, at the employee's option, be deducted from the personal leave hours previously transferred to the employee's retirement leave account.
- B.** If an employee has eighty (80) or fewer personal leave hours in his/her personal leave account, then the employee may, at the employee's option, use his/her retirement account for bona fide illness.

24.12 Upon termination other than retirement, the employee shall be paid for all accrued personal leave and for one (1) hour for every two (2) hours accrued in employee's retirement account.

24.13 For the purposes of this Agreement, retirement shall mean retirement pursuant to the full-time service requirements or early vesting requirements of the pension plans of the **City** or its former governments; retirement by reason of age pursuant to social security for employees covered solely by social security, provided such employee has ten (10) years service with the **City**; or retirement of officers or employees of the **City** who have more than ten (10) years service with the **City** and who are covered by the Florida Retirement

System. Upon retirement of an employee, said employee's personal leave account and retirement leave account shall be used or paid for on an hour-for-hour basis, up to a maximum of nine hundred sixty (960) hours in each account, under the following provisions:

- A. Leave may be taken either immediately prior to the desired retirement eligibility date, which leave may then be used for the fulfillment of time service requirements; or
- B. Such leave may be taken following fulfillment of time service requirements.
- C. Employees electing to use leave pursuant to subsections (a) and (b) may be maintained on the regular payroll, thereby continuing to avail the employee of payroll deductions, pension contributions and insurance deductions.
- D. Requests to be placed on such leave shall be considered irrevocable.
- E. While on such leave, an employee shall not accrue personal leave. The employee shall be paid for legal holidays, and shall be eligible for any general salary increases. The employee shall not be eligible for performance/step increases.

24.14 Upon the death of an employee, the employee's next of kin or estate, as determined in accordance with the law, shall be paid for all accrued personal and retirement leave on the basis of one (1) hour's pay for each hour in said accounts.

24.15 This personal leave plan shall not be changed except as mutually agreed to by both parties through the collective bargaining process provided for in Chapter 447, Florida Statute.

The election must be made no later than September 30th of the fiscal year preceding the fiscal year in which the leave will accrue. Elections shall be made in accordance with administrative procedures established by the **City** of Jacksonville.

Employees otherwise eligible for this option who do not elect to be paid a percentage of leave prior to the deadline will not be permitted to be paid any leave for the subsequent calendar year (except as otherwise required pursuant to Article 24 - Section 24.5).

This election will not be effective for an employee who would have less than eighty (80) accrued annual leave hours remaining after such payment.

B. Second, an employee who has timely made the payment election described in Article 24 - Section 24.6 (A) may elect to defer all or a portion of such payment into an eligible nonqualified deferred compensation plan, up to the maximum amount permitted under the plan and by law and subject to applicable timing requirements.

26.2 Periods of employee election, and payment dates shall be established by the **City** of Jacksonville in accordance with IRS regulations. Any leave remaining in an employee's personal leave and/or retirement account will be paid to the employee in a lump sum at retirement.

- 28.2** No permanent employee shall be removed, discharged, reduced in rank or pay, suspended, reprimanded, or otherwise disciplined except for proper cause, and in no event until he/she has been furnished with a written statement of the charges and the reason(s) for such actions, except as provided in Rule 9.05(4) of the Civil Service and Personnel Rules and Regulations. The arbitrator shall have no authority to consider or rule upon any matter which is stated in this Agreement not to be subject to arbitration, or which is not specifically covered by this Agreement.
- (4) The arbitrator shall base his/her decision exclusively on the testimony and documentary evidence submitted by the parties as part of the hearing, and his/her conclusions based on that evidence.
- (5) The arbitrator's authority is limited strictly to the application and interpretation of the provisions of this Agreement, and he/she shall not have authority or power to make any decision that is contrary to, inconsistent with, or which modifies in any way the terms of this Agreement. Furthermore, the arbitrator may not usurp any authority or responsibility of the **City** as provided by Chapter 447, Florida Statutes or the Charter of the **City** of Jacksonville unless specifically provided for by this Agreement.

4 **ORDINANCE 2021-623 -E**

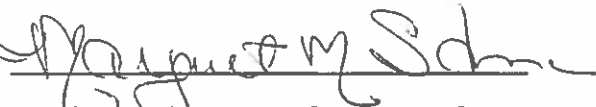

5 AN ORDINANCE APPROVING THE PROPOSED OCTOBER 1,
6 2021 - SEPTEMBER 30, 2024 COLLECTIVE BARGAINING
7 AGREEMENT BETWEEN THE CITY OF JACKSONVILLE AND
8 THE COMMUNICATIONS WORKERS OF AMERICA (CWA),
9 REPRESENTING APPROXIMATELY 420 MEMBERS;
10 PROVIDING AN EFFECTIVE DATE.
11

12 **BE IT ORDAINED** by the Council of the City of Jacksonville:

13 **Section 1. Proposed Collective Bargaining Agreement**
14 **between the City of Jacksonville and CWA approved.** That certain
15 proposed October 1, 2021 - September 30, 2024 Collective Bargaining
16 Agreement between the City of Jacksonville and the Communications
17 Workers of America (CWA), a copy of which has been placed On File
18 with the Office of Legislative Services, is hereby approved. CWA
19 represents approximately 420 members. The proposed CWA agreement has
20 been agreed to in collective bargaining and has been ratified by the
21 union membership. Pursuant to the American Rescue Plan, from which
22 funds are being used for premium pay associated with the Collectively
23 Bargaining Agreements, the City has made a general determination that
24 premium pay will not increase the average annual wage at the City
25 above 150 percent of the state or county's average annual
26 wage. Further, the City considers all government employees at the
27 City to be performing critical and essential functions necessary to
28 meet the needs of the Citizens of Jacksonville. One time premium
29 payments and wage increases collectively bargained recognize the
30 extraordinary efforts the men and women of the City performed and
31 continue to perform during the COVID-19 pandemic.

1 Section 2. Effective Date. This ordinance and all elements
2 of the CWA Collective Bargaining Agreement shall become effective
3 upon signature by the Mayor or upon becoming effective without the
4 Mayor's signature.
